

# CLEANER SPRAY

UNIVERSAL CLEANING AND DEGREASING AGENT FOR METAL

## PRODUCT DESCRIPTION

Universal cleaning and degreasing agent for metal.

## FIELD OF APPLICATION

For cleaning and degreasing metals. Removes oil, dirt, grease, wax, tar, permanent ink, brake and carbon dust, among others. Also for removing uncured residue of 2-component adhesives, paint, silicone sealants and PU foam.

## PROPERTIES

- Rapid evaporation
- Leaves no residue
- Can be used in all positions

## PREPARATION

**Preliminary Surface Treatment:** Remove as much dirt, rust, etc., as possible.

## APPLICATION

### Directions for use:

Shake well before use.

Spray surface generously. With heavy contamination spray, wipe with a cloth and repeat treatment.

**Points of attention:** In prolonged contact could damage rubbers, cured coatings and synthetics (such as polystyrene and polycarbonate).

## STORAGE CONDITIONS

A minimum of 36 months.

Close the container properly and store in a dry, cool and frost-free location.

Our advice is based on extensive research and practical experience. However, in view of the large variety of materials and the conditions under which our products are applied, we assume no responsibility for the results obtained and/or any damage caused by the use of the product.
